<b>In conjunction with:</b>	The 2 <sup>nd</sup> International Hemp Environmental Forum 1-2 December 2022

The "Asia's International HEMP Expo" is the first and only international event in Thailand for businesspeople and industrialists seeking information, crucial benefits, greater awareness and sustainable solutions for the future of hemp and cannabis which has already been unlocked and legalized in Thailand.

The event gathers a complete range of plantation technology, services and solution for hemp farming, through the comprehensive showcase of hemp fibers, clothing and textiles, beauty products, gardening, foods, beverages, medicinal products, building materials, spa and wellness, and together with marketing, business consultancy, special logistics and many more!

The concurrent event features the 2<sup>nd</sup> International Hemp Environmental Forum (IHEF), focusing on knowledge exchange together with environmental concern through academic seminars from 20 hemp guru all over the world. It is the first physical gathering of the industry since COVID pandemic in 2019.

Organized at the world's latest-renovated downtown exhibition and convention venue in Bangkok, "Queen Sirikit National Convention Center", this event welcome 300 exhibitors 10,000 buyers and over 1,500 forum participants to experience the full service of world-class facilities and convenient accessibility to create business transactions and networking onsite.
